Looking for your next LIS employee? We want to help you find them!

The Australian Library and Information Association (ALIA) is Australia's professional organisation for the Library and Information Sciences (LIS) sector. Representing 4,800 qualified Members of the sector, we work with employers to advertise employment opportunities as a service for our Members.

Standard listings

Advertising your position with ALIA gives employers a fantastic opportunity to target LIS professionals at a reasonable price. ALIA Institutional and Corporate Members enjoy a discounted rate, while purchasing advertising packs can halve the costs of individual advertisements.

2019/20 Advertising Rates

	x 1	x 6	UNLIMITED
ALIA Institutional and Corporate Members	\$380	\$1,200	\$2,140
Other / non-member*	\$485		

* Personal/professional ALIA Members, recruitment agencies, or any non-member acting on an ALIA Member's behalf will be charged at this rate. All prices are in AUD and include GST. Advertisement packages are valid for 12 months from date of invoice.

What's included?

Standard listings include your position published on the ALIA Job Vacancies page of our website (www.alia.org.au/jobs), which is available to all Members of ALIA, until the closing date of the position's applications. The position will also be included in our recruitment newsletter, *RecruitLIS*, with new positions featured and separated by state or on a national or international basis. *RecruitLIS* has 4,500 active subscribers.

Featured listings

In addition to a standard listing, featured listings can be purchased to highlight your position in *ALIA Weekly*, our newsletter which goes out to a list of over 10,000 subscribers in the library and information sector. Featured listings have an additional cost of **\$110 per week** and allow you to choose which editions of *ALIA Weekly* the position will be highlighted.

Target ALIA Members each week with *RecruitLIS* — the weekly employment and careers newsletter.
