Promoting your school library
Target audience: Library Teams

Ways to use the film with your target audience	Resources to use
- unpacking the film to identify: - role of school library staff - what school library service 'looks' like - use the film as a reflective tool, to generate a discussion on what are effective library services/programs and how your own school library service could be improved? - use the film as a benchmark of what services you are providing - help you to identify 'gaps' and improve on your level of services/programs - help you to identify future professional development - boost confidence of your library staff, emphasizing how valuable the role you are playing	- professional development / training sessions: - for example on how to collaborate with teaching staff - policy statements: - role of teacher librarians - role of library technicians - role of school library - professional standards for teacher librarians, particularly meeting the requirement of teaching standards - surveys (examples, sources to guide you to develop effective surveys) *School Library Resource Centre: guidelines for self-reflection and evaluation*
